

Willow Homework Bingo -Autumn 1

- The tasks in the red square are compulsory and need to be completed by Friday 16th October.
- Daily reading should be completed and written in your reading record. We expect children to read to an adult at least 3x per week and that their reading record is signed.
- A new MyMaths homework will be available each week. Please see Mymaths class letter.
- Spellings will be sent out for the half term and children will be tested each Friday.
- You will receive house points for each piece of work you complete. Please send in any new completed homework by the end of this half term via our class email willow@sta.learnat.uk

<p>Learn the information from your knowledge organiser</p>	<p>Find out about the differences between the ships that Christopher Columbus sailed and modern ships.</p>	<p>Take your family exploring somewhere you haven't been before. Take some photos of what you find. This could be in an area local to where you live or it could be further afield.</p>
<p>Create a presentation about an explorer that we have not looked at in class. You could choose to create a PowerPoint or a poster.</p>	<p>Learn the common exception words for this half term. Can you write some sentences with the words in?</p>	<p>Write a book review about your favourite book.</p>
<p>Write some word problems to challenge your friends. Remember you need to work out the answer as well! Yr 2- using numbers up to 100 Yr 3 using numbers up to 1000 Yr 4 - using numbers up to 10,000</p>	<p>Imagine that you were an explorer. Write a diary over the course of a week about what you did, what you found, where you went and any problems you encountered.</p>	<p>Practice your times tables. The times tables for this half term are: Year 2: 10x Year 3: 4x Year 4: 7x</p>
