## SCHOOL NEWS

We have been so proud to see our Year 6 children conduct themselves so well this week during their SATs – they have worked very hard and we know every single one of them did their very best.

### Thursday Activity Club

We had another successful club last night; the children were having a fabulous time with cookery, craft and tennis – a huge thankyou to all of our adult helpers who give up their time for this to work. We have some different activities on offer over the next few weeks too, including rounders, athletics, music, and gardening. Watch out for the weekly email and don't forget to book your child's place by Wednesday evening via ParentPay – sessions are £3 each week.

### Sporting Achievements

We are delighted to report that our Year 5/6 Football team played their hearts out at the Coventry Stadium last week, supported by many school and family members. They claimed a magnificent 4<sup>th</sup> place in the National Finals, a huge accolade for our school. The Year 3/4 Football Teams played last night at Lutterworth and both teams won one, drew one and lost a couple. For many of the children it was their first time representing our school on the sporting front – a fantastic effort by all. We also have Athletics and Cricket Competitions coming up so will look forward to reporting the results of these.

### Summer Reading Challenge

Some children have already completed the first of the four challenges designed to build up an 'Author Alphabet' – what a fantastic effort. We are looking forward to sharing these in our Celebration Assemblies and adding the completed cards to our Alphabet Box – at the end of the term a lucky winner will be chosen; children also receive house points for their completed cards too. Keep up the good work everyone!

### Queen's Platinum Jubilee Street Party

We are really excited about our street party as we have managed to close the road on Friday 27<sup>th</sup> May. We have songs, competitions, a treasure hunt, and a gallery planned to help us mark the occasion and celebrate in style. More information will be sent to you shortly confirming the details of the afternoon's arrangements – we think it will be a lovely way to end the half term and hope you can join us.

**We are still looking for:**

- ✓ Old Newspapers and Magazines for an art project
- ✓ Indoor Plants for our school

As the weather becomes warmer, please make sure your child has a hat/cap to wear whilst outside and that they have applied sun cream before coming to school – we want to keep everyone safe.

Well done to everyone who has received your certificate this week – we are very proud of you.
