SCHOOL NEWS

Wow – we are already at half term and at the time of writing, preparations are well underway for the St. Andrew's Street Party – it promises to be a fun afternoon!

Sports Day

After the half term break, we will be holding our School Sports Day on Thursday 9th June. Parents are invited to join us from 12.00am and we ask that you bring a picnic blankets, chairs and a picnic lunch to share with your child/ren. After this we will organise the various races for you to watch. The children need to wear P.E Kits, but their T-Shirt needs to be the colour of their house to help us with the scoring – which team will win this year?

School Lunches

We are experiencing a few problems in school at lunchtimes as children do not know their meal choices – they are then choosing the wrong dish which means some children haven't received what you have ordered for them. Please make sure your child knows what they are having each day. Meals must be ordered on ParentPay so that the kitchen know how many we need, if you have not ordered a school lunch before 9.00am on the day, we will be unable to provide a lunch and we will contact you to bring a lunch in to school for your child. Please support us in making this system work smoothly.

Breakfast /After School Club

There are a number of children arriving in Breakfast and After School Club without being booked in on Parent Pay. Please remember to book a session on Parent Pay if you would like your child to attend. We only have a limited availability and once we reach the legal amount, we will have to contact parents to collect their children.

LearnAt Parental Survey

You should have already been sent a link to the parental survey – but you can [click here](#) to complete if you haven't already done this. We value your responses as it helps us to know how we can make improvements and celebrate what works well – thank you.

Book of the Week ...

Yesterday, each family will have received a copy of the souvenir Queen Elizabeth book. This has kindly been donated to all primary schools in honour of the Queen's Jubilee Celebration. The staff at St. Andrew's would like to recommend this as the book to read and share over half term – it is full of lovely stories, information and super illustrations. We hope you enjoy it.
