"Pupils achieve well and leave St Andrew's with standards in reading, writing and mathematics that typically exceeds those seen nationally" Ofsted 2019

Well done to our year 6 children who sat their SATs this week and our year 2 children who also sat their optional tests. The children have worked very hard. We will inform parents of year 6, the results when we have received them. We would also like to congratulate year 6 who managed to achieve 100% attendance this week.

As we near the end of half term we would like to remind parents of our school uniform and ask that they encourage their child/ren to wear it. We are seeing a number of pupils wearing trainers to school and these are not part of our uniform. Whilst wearing a uniform, both inside and outside of school the children are ambassadors for the school.

On Wednesday 5th June the school will be competing in this year's Saffron Lane sporting events. For those children who are participating in the event they will need to be collected from school to arrive at 1.45pm for a 2.00pm start.

We are always keen to hear your point of view. Please use the slip overleaf to comment on anything in this newsletter or anything else you would like to comment on/suggest to us. All comments will be read and discussed by the leadership team. Please send the slip into the school office. Thank you.
